“Being an ACCESS student has meant so much. It was an amazing year of learning about myself, forming new friendships, and surrounding myself in a field of study I love. The experiences and opportunities provided to me through the ACCESS program gave me confidence in knowing that coming to Johnson & Wales was the best decision I ever made!”

— Bethany Marron ’05, International Business, honors student and member of the Collegiate Ambassador Team and the President’s Leadership Council

Visit us on the Web: www.jwu.edu
If you are interested in the ACCESS program, or your guidance counselor would like more information, contact the J&W Admissions Office of your choice.
If you are a high school junior with your mind set on college and your heart set on a career, the ACCESS program at Johnson & Wales University can give you a head start on your plans.

A College Career Experience for Secondary School Students (ACCESS) is a program that allows you to take college courses in business, culinary arts, hospitality, technology or teacher education while simultaneously completing your high school senior year requirements.

Is ACCESS for you?

You may be qualified for ACCESS if

• You're a high school junior entering your senior year.
• You want to get a head start on college.
• You already know the direction you’d like your career to take.
• You're interested in investigating the career-oriented programs at Johnson & Wales.
• You're looking for direction, stimulation and a challenge beyond what is offered in high school.

If this sounds like you, then ACCESS could fit your needs.

Start the ACCESS process now!

To participate in ACCESS, you must do the following during your junior year:

• Submit a University Application for Admission indicating your program choice along with one completed ACCESS agreement and high school transcript.
• Have your parent/guardian’s signed consent on the ACCESS agreement.
• Have your high school principal’s and guidance counselor’s signed approvals on the ACCESS agreement.
• Schedule a personal interview with a Johnson & Wales admissions officer.

Experience exciting fields such as marketing, management, advertising and entrepreneurship in the COLLEGE OF BUSINESS.
Become an ACCESS student and you’ll...

BE PREPARED FOR SUCCESS.

- Everything we do at Johnson & Wales is focused on providing you with the necessary skills to get you to your career goals faster. That is why we are America’s Career University®.
- You’ll get hands-on experience and a true feel for your career through an internship, co-op or practicum.
- You’ll develop and build a career passport, keeping track of all your activities and accomplishments at Johnson & Wales, to be used later in a résumé detailing your capabilities.

LEARN FROM THE BEST.

- Personal experience is the key to instruction. Our faculty is world-renowned with years of actual experience in their fields.
- Courses will cover new and exciting material and topics often unavailable in high school programs.
- Our upside-down curriculum allows you to take major courses during your first year.

GRADUATE EARLIER.

- As an ACCESS student, you’ll graduate one full year earlier than your peers and, therefore, get started on your career sooner.
- An impressive 98 percent of J&W graduates are employed within 60 days of graduation.

ENJOY THE BEST OF BOTH WORLDS.

- You’ll still be able to take part in high school activities and attend graduation with your class.
- At Johnson & Wales, you’ll be a full-time student, taking the same classes and participating in the same student activities as everyone else.
- You’ll also be eligible to live in one of our residence halls.

Our world-renowned COLLEGE OF CULINARY ARTS was the first to offer bachelor’s degrees in both Culinary Arts and Culinary Nutrition.
Become an ACCESS student and you’ll...

SAVE ON TUITION.

• The ACCESS program translates into tremendous savings. Tuition cost for your first year will be half the regular J&W tuition. You’ll pay appropriate University fees, including the full general fee and full room and board charges.

• You’ll also be eligible for Johnson & Wales scholarships totaling up to 50 percent of any institutional aid you receive. However, you won’t be eligible for any federal financial aid for the first year you’re enrolled in the program.

• Contact the Student Financial Services Office for information on alternative funding and to determine if any scholarships you receive will be affected while you’re in the ACCESS program.

Here’s how it works

Suppose you’ve known forever that you want to be in marketing. You like what you’ve heard about J&W’s marketing program — hands-on experience in classes taught by faculty who have succeeded in the marketing field. When you enroll in our ACCESS program as a marketing student, you’ll take a core business course in your first term. The curriculum may fill both your high school and J&W program requirements, if the courses you take at J&W are required at your high school.

Whether you’re interested in accounting, baking & pastry arts, hotel management, culinary arts, sports/entertainment/event management, software engineering, or another* major offered at the University, ACCESS may be the right move for you!

*The ACCESS program is not available to equine majors.

Agreement Form

Please forward the completed agreement on Page 9 with required signatures and transcripts and a Johnson & Wales University application (if you haven’t already applied) to the Admissions Office at the campus where you plan to enroll.

For more information

Our current catalog, which contains important information about curriculum, admission and attendance at Johnson & Wales University, is accessible online at www.jwu.edu/sas/catalog. If you would like to receive a printed version of our catalog, please contact the campus where you plan to enroll. (See campus addresses and phone numbers on Page 10.)
SCHOOL OF TECHNOLOGY: Learn about the rapidly growing field of technology through a site visit to a leading manufacturer of high-tech equipment, and spend some time in our career-specific computer labs.

ACCESS Program Agreement Form

Please forward this completed agreement with required signatures and transcripts and a Johnson & Wales University application (if you haven’t already applied) to the Admissions Office at the campus where you plan to enroll.

ACCESS CONDITIONS OF ENROLLMENT

1. The student must apply for admission to a full-time program offered by Johnson & Wales University.
2. The student must carry a course load as required of all full-time students enrolled in University degree programs.
3. The student is subject to all rules and regulations of the University that bind all full-time students, including class attendance, class schedules, payment of fees, etc.
4. Students must be interviewed at the University in the company of at least one parent or guardian before enrolling.
5. The University will forward reports of final grades to parents and high school officials.
6. While enrolled in the ACCESS Program, the student is not eligible for federal financial aid, including Federal Pell Grants and federal loans.
7. The student must submit a final official high school transcript prior to entering his/her sophomore year at Johnson & Wales.
8. The student will be unable to participate in class scheduling on the Web until all high school graduation requirements are met.
9. If a student decides to change his/her major during the ACCESS/freshman year at the University, a new ACCESS agreement form may need to be submitted to the University. In addition, it is the student’s responsibility to schedule a meeting with an academic advisor to review how the decision to change his/her major could impact his/her graduation date.

We understand and agree to the ACCESS Conditions of Enrollment listed above. All the information provided on this form is correct.

Applicant’s Signature Date

Parent/Guardian’s Signature Date

(over)
TO BE COMPLETED BY HIGH SCHOOL OFFICIALS

(If you have any questions, call a Johnson & Wales Admissions Office. The phone numbers are listed below.)

Please have the student’s guidance counselor select the high school requirements to be completed at J&W in the ACCESS program (refer to the J&W Catalog which is available online at www.jwu.edu/sas/catalog). Also, please submit a copy of the student’s current official transcripts.

NOTE: If Physical Education is one of the outstanding high school requirements, please give total number of hours remaining that need to be completed at Johnson & Wales.

Outstanding high school requirements

Example: Math 101

J&W course equivalents (from catalog)

Ex: A Survey of College Mathematics — MATH1002

We agree that the selected J&W course equivalents meet our high school graduation requirements. Upon successful completion of the above courses, the high school will issue the high school diploma to the student.
