NATIONAL STUDENT ORGANIZATIONS SCHOLARSHIP APPLICATION

>> NATIONAL STUDENT ORGANIZATIONS AT JOHNSON & WALES UNIVERSITY

SCHOLARSHIPS UP TO FULL TUITION
Johnson & Wales University was founded in 1914 as a business school, and today offers more than 45 majors in the fields of business, technology, hospitality, culinary arts and education. For more than 90 years, we’ve been educating some of the best-trained and most-prepared grads of any university in the nation. Johnson & Wales graduates stand above the rest.

Morris J.W. Gaebe, chancellor of Johnson & Wales, established the Gaebe Entrepreneurial Scholarship Fund to honor motivated members of National Student Organizations (NSO) and give them an opportunity to earn substantial tuition scholarships to the University. These tuition scholarships are awarded to NSO members who display the same kind of dedication, spirit and zest for success as Dr. Gaebe.

Students are encouraged to submit their NSO Scholarship applications early. Applications are reviewed beginning in October and funds ranging from $500–$4,000 are awarded. In order to be considered for a scholarship worth up to full tuition, we must receive your completed scholarship application prior to February 1. After February 1, the Scholarship Committee will review all $4,000 scholarship recipients to evaluate them for scholarships up to full tuition. Any applications received after February 1 will be reviewed and funds ranging from $500 to $4,000 will be awarded.

Please Note: Once a scholarship has been processed and reviewed, scholarship amounts are final.

Once enrolled at J&W, you will be eligible to renew your Gaebe Entrepreneurial Scholarship each year as long as you maintain good academic standing and are enrolled as a full-time day school student. You must also participate in chapter activities at Johnson & Wales. This is an extracurricular activity and not part of your major.

Scholarship applications will only be accepted from incoming day school students and graduates of a bona fide National Student Organization. Applications are accepted from high school graduates, seniors anticipating graduation, juniors applying for the ACCESS Program and students transferring from other colleges with satisfactory grades.

If you have any questions, please call the National Student Organizations Office at 1-800-DIAL-JWU (342-5598) extension 2345 or (401) 598-2345.

In order to effectively administer limited financial aid funds, Johnson & Wales University has adopted an institutional policy whereby the total of all University funded or administered monies awarded to a single student may not exceed a specified dollar amount during an academic year. This amount is determined prior to each year’s financial aid awarding process. If you have received a J&W NSO state scholarship, it may affect this scholarship amount. Scholarships awarded apply to full-time, undergraduate day-school attendance at Johnson & Wales University. Scholarship winners agree to participate in, and give support to, Johnson & Wales’ NSO activities.
